Transfer of Data to a Third Country and/or an International Organization

The Controller does not transfer your personal data abroad. Your personal data will not be disseminated or disclosed to unidentified and unidentifiable subjects, not even as third parties.

Legal Basis for Processing

The processing of data is necessary for the pursuit of the legitimate interest of the company, namely for security needs and protection of company assets. For these purposes, the processing is considered indispensable and necessary.

Methods of Processing and Storage of Personal Data

Each site is equipped with a video surveillance system. The processing of images is carried out through IT procedures, and the viewing and recording of images acquired by the video surveillance system are done only by the Controller, appointed external Data Processors, and subjects specifically authorized/designated for processing. The video surveillance system exclusively involves the processing of images captured by the recordings, which, in relation to the locations of the cameras, concern areas owned by the Controller. The system is designed to both view and record the filmed images.

Retention Period or Criteria Used to Determine Such Period

The images are stored for no longer than 24 hours, except for additional retention needs related to holidays, weekends, or office closures, and in case of a specific investigative request from the judicial or police authorities or the possible exercise of the right of access recognized to the data subject pursuant to Articles 15 and following of EU Regulation No. 679/2016 (in any case up to a maximum period of 7 days).

Rights of Data Subjects and Methods of Exercising Them

Your rights are those provided by EU Regulation in Articles 15-22 and those provided by the Privacy Code as amended by Legislative Decree 101/2018, including but not limited to:

- access;
- rectification;
- deletion;
- limitation of processing;

- opposition to processing;
- portability. These rights are guaranteed to you without particular burdens and formalities for their exercise, which is essentially free of charge. For any further information and to send your request, you can contact the Controller at privacy@kedrion.com.

Right to Lodge a Complaint

Without prejudice to any other administrative or judicial action, you can lodge a complaint with the supervisory authority as provided by EU Regulation 2016/679 and the Privacy Code as amended by Legislative Decree 101/2018.
